Senior Class Will

We, the Senior Class of one thousand nine hundred fifty-one, do hereby acknowledge this document as our last will and testament.

I, Howard Johnson, will my beautiful, well groomed, curly hair to one, Gyles Gish. That should save you the price of a "toni" Gyles.

I, Bill Gaunt, will all of my high school girl friends to one, Jerry Dabler. Time waits for no one, Jerry.

I, Kathleen Schmitt, will my ability to "hook" a man and keep him to one, Judy Cook.

I, Melva Lang, will my duty as first period librarian to one, Janet Salzmann. I hope you achieve more than I did, Janet.

We, Joanne Hurley and Lucille Michlig, will our two years of friendship and the suspense of each others plans and secrets to Joanne Hewitt and Norma Hartz. We hope you girls find yourselves as happy in each others company as we were these last two years.

I, Howard Hanson, will my ability to get along with girls, no matter who they are, to one, Robert Etheridge.

I, Roy Mueller, will my long letter list to one, Carl Gumfory. I hope you don't get writer's cramp, Carl.

I, Dale DeSkeere, will my ability to get along with out-of-town girls to one, Robert Lind. Good luck, Bob.

I, Fred Alters, will Shirley Pont the latest joke book for bigger and better laughs.

I, Joan Johnson, will Minnie Hodge a book of stamps and plenty of stationery with which to write letters. Write to whomever you like, with the exception of one certain guy.

I, Otto Dobbeke, will James Glafka more gas than his father can provide, so he can visit Wyoming more often.

I, Robert Fox, will my "old ford" to Marjorie Eickmier. The springs are better in it than in your "old blue job."

I, Ned Swanson, will all my enthusiasm for sports, to one, Ronnie Hewitt. Good luck, Ron, old boy.

I, Roger Johnson, will my driving ability to one, Virginia Lundgren, Personally, Virginia, driving is much safer without a car.

I, Joyce Engels, will Charlene House and Annevieve Schmidt an orchestra to accompany them in their future singing careers. Good luck, girls.

I, Lola Schmidt, will my deepest and most earnest secrets about Sheffield boys to one, Francis Coggins. I have my own ways of finding these things out, Fanny.

I, Lois Vandermoon, will my ability to catch the school bus on time to my sister, Janet Vandermoon. Janet, you may also have my alarm clock that never seemed to work.

I, Lucille Michlig, will Roberta Jamison a soft volleyball for P. E. class, so when you give it that terrific right, it won't "thud" so hard when it hits me.

I, Joanne Hurley, will my flirting ability to one, Margaret Schmitt. Variety is the spice of life, Margaret. (So they say.)

We, the Senior Class, hereby acknowledge said will to be our last will and testament.

Class Prophecy

Christmas was approaching and I decided to entrust the management of my establishment, Engels' Home for Bachelors--Young and Old, to my assistant and return to Manlius for the holidays.

I arrived at the airport and was greeted by an old classmate, Howard Johnson. As we talked, I discovered that he is a mortician. He was returning to Manlius after attending a convention where he demonstrated his deep-freeze method of burial.

We boarded the plane and who should be the stewardess, none other than Lois Vandermoon. She told us that she owned interest in the Ford Corporation. Bob Fox, it seems, is a stock and bond investor in the same business.

We took our seats and reminisced about our classmates. Howard told me that Dale DeSkeere was still trying to break Rip Van Winkle's record of sleeping one hundred years. Dale should be in pretty good shape after all the practicing he did during history class.

As we flew over New Bedford, a snow storm forced the plane down. We decided to tour the countryside for any of our classmates while the plane was grounded.

Walking through the congested throng of Christmas shoppers, we ran into a mink-wrapped blonde who was Joanne Hurley. She informed us that she was the gossip columnist of the ***Manlius Daily Blat*** and that Lucille Michlig was the editor. Both girls received their experience while working on the Manlius school paper.

Joanne wanted to interview us, so she took us to lunch at the swankiest restaurant in town. The Console West. There we were greeted by the bustling proprietress, Melva Lang. She told us that she also owned a chain of drive-ins throughout the country.

By the time lunch was over, the weather was clear. We returned to the plane and continued our journey.

Without further mishap, we landed at the Manlius Air-port. As we walked through the gates, a motherly woman struggling with two young Indians and laden with packages met us. It was the former Kathleen Schmitt who said she was going home after her last minute Christmas shopping. She never was one to do her shopping early.

Howard hailed a taxi and we climbed in. Much to our surprise, Fred Alters was the cabbie. He said he was running for President--president of the Manlius Liars Club. He was confident of this position since he had won the National Liars Contest. Furthermore his campaign manager was Jim Etheridge, a politician famous since his speeches in civics class in high school.

We left the taxi and visited the site of the new high school. Here we met two class mates who had become teachers. Ned Swanson, after a thrilling college sport career, held the coaching position, He was still unmarried, so I presented him with my card. Ned also said that the athletic department was entertaining Otto Dobbeke, the famous pro-football player, at a banquet, We also talked to Bill Gaunt, who is the vocational agriculture instructor. He agained the experience of teaching while substituting during his senior year.

We left the school in search of Lola Schmidt and Joan Johnson, and met Admiral Roger Johnson of the *USS Manlius*, who was home for the holidays. Roger, although his ambition never showed, had joined the navy and was working to the top. He told us that the two girls, although married, were working in a downtown department store.

Neon signs blazing out their wares greeted us as we neared the business section. One sign in particular caught our eye. It advertised Hanson's Cigars. Howard was manufacturing a cigar without ashes. In high school, he always left a trail of cigar ashes which he flicked on the floor. His new cigar dispenses with this necessity.

We finally entered the department store and found Joan and Lola's counter. They were working to help send their husbands through school. Lola gave up a concert pianist career to be near her poor husband. As a sidelight, she gives crew cuts to the neighborhood ruffians. Joan is more fortunate. She holds stock in a bridgework factory.

Suddenly we were interrupted by a commotion in the back of the store. The distressed manager was trying to brew a pot of coffee from week - old dregs. Roy Mueller never has learned the technique of using fresh coffee when the coffee pot is empty.

After greeting Roy we left the store and separated to visit our own families.

Once a week under the supervision of Mr. Davidson and the Editor, Lucille Michlig, the picture staff has put out the REFLECTOR. It is smaller than previous ones, but has proved to be both interesting and entertaining.

Lola Mae Schmidt was chosen by the Seniors and the Faculty to receive the D. A. R. award. This good citizen award is based upon Dependability, Service, Leadership, and Patriotism.

This annual has been published because of the hard work and determination of the annual staff. We hope you will be as proud of it as they hope to be. Mr. Davidson served as our advisor and Lola Schmidt as our Editor.

JUNIOR CLASS

This year proved to be a very prosperous and successful one for the junior class.

We received our class rings the latter part of October and we all think they are very nice.

Our class took part in the annual magazine campaign, in which we did very well.

We have had many activities during this school year and they all proved to be successful. A public dance was held January 12, 1951, after the Sheffield vs. Manlius basketball game. Music was furnished by "Skinny" Blake and his orchestra. Our class play, "Seventeen is Terrific," was presented January 20, 1951. A bake sale was held during a football game at the beginning of the school year. The planning and hard work of all our class members and class sponsors was well rewarded when the gala affair of the Junior-Senior Prom turned out to be a huge success.

Our class has decreased again. This year we have only twenty-one members in our class.

Did LaVetta help you put on your mustache, too, Jerry?

No wonder they looked like movie stars. With all that make-up we couldn't recognise them.

The freshmen class started the year with 27 students, but two new ones entered the class at the begining of the second semester. They are Kay Rumbold from Rock Falls and Robert Pyse from Sterling.

This year has been filled with new experiences for them. Some of the things they have done are taking care of the check room during home basketball games and dances and taking part in the magazine campaign.

They have found that high school is really lots of fun and we hope their next three years will be as pleasant as the first.

They selected Mr. Rice as their class advisor, Margaret Lind as president, Mary Kirkpatrick as vice president, Marilyn Ringenberg as secretary, and Virginia Bollnow as treasurer.

SEVENTH GRADE

Mrs. Ballard

Last fall thirty-six boys and girls enrolled in the seventh grade, very eager to see what Junior High would be like. The class was composed of sixteen girls and twenty boys. At the beginning of the second semester Janet Pyse transferred making a total of thirty-seven. We have the distinction of being the largest class in the building. We found Junior High to be a very busy place. Besides our regular seventh grade work we found that we could share in many extra curricular activities such as shop, band, chorus, home ec., and phys. ed. The boys have enjoyed taking part in many athletic activities. We elected Beth Swanson and Marilyn Gallentine as cheerleaders from the seventh grade.

BAND

The Manlius High School Band is made up of thirty-four members. Most of the fall months were devoted to preparing music for the football games. The band played at all these games and marched and played for Homecoming.

Contest Soloists

After the football season, emphasis was placed on concert music and the band first performed at the Christmas concert.

The next event for the band was the District Band Contest in which it participated. Four members from the band also performed solos at the District Solo Contest.

Twenty-one members of the band played with the massed band at the Little Eight Music Festival. The band also gave a complete concert in conjunction with the grade school band this spring. The effort throughout the year has been to perform as many different types of music as possible and thereby widen the musical experience of all the members of the band.

JUNIOR PLAY

On Saturday night, January 20, the Junior Class presented SEVENTEEN IS TERRIFIC, a three act comedy. The plot centered around the Allenby family who found themselves in financial difficulties and forced to sell their farm. However, everything seemed to go against their selling it until Chuck discovered a cave filled with stalagmites which created a demand for exhibition rights and thus solved their problem.

OUR PRIZE ACTOR
DAVID

Out there every game cheering the team to victory, the varsity cheerleaders -- Norma Hartz, Barbara Johnson, and Joanne Hewitt -- are an important part of the athletic section.

Football

We completed our second successive undefeated football season with a record of nine wins and no losses. This made the eighteenth straight win for our Red Devils and the fourth undefeated season in the last five years.

Three boys: Otto, Fritz, and Ronnie, made the first team on the all-conference team. Two-Ned and Dale - made the second team, while the remaining boys on the first team all received honorable mention.

We had fifteen lettermen, but Ned, Howard J., Dale, Otto, Bob F., and Bill G. are seniors so that leaves only nine for next year. They are Fritz, Bob L., Ronnie, Gyles, Don, Billy L., Kenny, Lewis, and Jim.

Much credit for this fine record is due to our new coach, Dick Zuege, and his assistant, Hal Scholle.

Our entire squad and coaching staff with that happy look of victory.

Our starting eight.

MALDEN 39 - 13

Ned Swanson scored three touchdowns. DeSkeere, Fox, and Hewitt each scored one. The Red Devils started fast with a 19 - 0 lead in the 1st quarter. By the end of the 3rd quarter we led 39 - 0.

WYANET 19 - 7

The Eagles battled the Red Devils on even terms and trailed on 6 - 0 at the end of the half and 12 - 7 at the end of the 3rd quarter. Hewitt sparked Manlius with two touchdowns, one on a 30 yard run and the other on a 78 yard run on a recovered fumble. DeSkeere scored the other touchdown on a 13 yard dash. Fox added the extra point for Manlius.

TISKILWA 24 - 7

Swanson sent the Red Devils off to an early 6 - 0 lead by returning the opening kick-off 70 yards for a touchdown. Hewitt scored two touchdowns on runs of 68 and 30 yards, and Gaunt raced 35 yards for the final touchdown.

OHIO 33 - 7

After a scoreless first half, Fahs of Ohio returned the opening kick-off of the 2nd half 84 yards for a TD and Ohio led 7 - 0. Then Manlius began to roll. Fox tallied 2 TDs and Hewitt, Swanson, and Gaunt each racked up one. Johnson, Swanson, Hewitt, and Reed made points after touchdowns.

BUDA 48 - 27

The Red Devils piled up a 13 - 0 lead in the 1st period and boosted it to 27 - 7 at half time. Buda stormed back and matched us TD for TD the 2nd half. Hewitt rambled for 4TDs, Johnson, Swanson, Gaunt each made one. Hewitt, Reed, and Noyes scored PAT.

BUREAU 45 - 20

We played Bureau Twp. in the afternoon and won 45 - 20. The first team scored one touchdown each quarter and the other touchowns were scored by Johnson and Reed. Every member of the squad got to play a part of the game.

LAMOILLE 30 - 14

This was the big one. Each team untied and undefeated and with almost identical scoring and defense records. Manlius got away to a whirlwind 1st half drive that netted a 21 - 0 lead. Hewit sparked the Red Devils with 2 TDs and Swanson, Gaunt each added one. E. Faber, the league's leading scorer, was held to one extra point. Lind tackled Billhorn of LaMoille in the end zone for a Manlius safety. Gaunt and Hewitt each made 2 PATs.

NEPONSET 20 - 0

A surprisingly tough Neponset team was subdued on a cold windy night 20 - 0. Hewitt scored all three TDs. He returned the 2nd half kick-off 70 yards for a TD. A stout Neponset defense held Manlius to a 7 - 0 lead at half time. The PATs were made by DeSkeere and Hewitt.

SHEFFIELD 52 - 0

Manlius romped over a hapless Sheffield team on a snow covered field for their 18th straight win and to clinch their 2nd straight Little 8 conference championship. Hewitt racked up 5 touchdowns and added one extra point. Swanson scored 2 and Fox one. Gaunt made 2 PAT and Fox one.

Basketball

NED

DALE

Coach Zuege opened his first season as basketball coach with four lettermen back. They were Ned Swanson, Ronnie Hewitt, Dale DeSkeere, and Howard Johnson. A squad of 19 boys were out to try to improve our record of a year ago. We did do a bit better, although tough luck seemed to dog us in conference play, as we lost four games, three of them by the margin of one point. Our season's record was 13 wins and 11 losses. The bright spot of the season was our play in the District Tournament at LaMoille. We easily took Malden in our first game. In our second game we defeated Ohio 53 to 41 and then went on to edge out LaMoille 44 to 42 in the finals to win the district for the second time. It was a fitting climax to our season and to the basketball career of the senior boys--Ned, Dale, Howard, and Bill G. We were beaten in the Regional by a "hot" Mendota team, six members of which shot over 50% of their shots.

Our Junior Varsity Cheerleaders - Dolores Croegaert, Margaret Lind, and Patsy Dabler - lead the cheers for our B Team.

Mgrs. Kip and Kenney

The "B" squad, coached by Mr. Zuege, composed of Fresh-Sophs and captained by Jerry Dabler, a Junior; had one of their most successful seasons in years, losing but two games--both to Walnut. In the post-season Invitational Tournament at Annawan limited to Fr-Sophs only, the team emerged victorious for the second year in a row, averaging 62 points a game while holding their opponents to but 42 points a game. These boys will provide a good squad to bolster next year's varsity team.
